Information Sheet

An understanding of the entire process will have considerable value in judging, as this information will be made available to the Standards Committee. Be as specific and detailed as possible. You may use separate sheets if needed. Please attach any brochures or promotional materials.

Please give a general description of your work, including techniques and material used:

Please describe any process, technique, collaboration, or use of materials which make your work unique and may not be obvious to the viewer upon examination:

Education/Training: How did you learn your craft?

Describe the development of your current body of work and its design origin:

Please list all components of your work that are not individually produced by you:

Please list any other information that would assist the committee in examining your work:
